Dear Residents

MASK DISTRIBUTION

Many of you would have heard by now that the People's Association grassroots network will be distributing masks from the national stockpile to households. Each household can collect a pack containing 4 masks.

2 Wearing a mask when one is unwell and needs to be outdoors (e.g. when on the way to/from seeing a doctor), can help protect others from infection. This practice promotes social responsibility, especially in a time when Singapore is on the alert against the Wuhan novel coronavirus. We hope that the packs will provide some assurance to families who have not been able to buy any masks so far.

3 These masks from the national stockpile are being packed and delivered to us in batches. My volunteers and I have worked out a schedule for mask collection at our RC Centres. The schedule is attached as Annex for your information. Please be assured that **there will be a pack for every household in our Division.**

4 If your household has no need for a pack and would like it to go back to the national stockpile, please email us at PA_BukitTimahCC@pa.gov.sg so that we may maintain a record and also thank you for your kind generosity. The main beneficiaries of the national stockpile are our public healthcare institutions, who are on the frontline of the fight against the coronavirus. If you would like to volunteer your time to help with mask distribution, we would also be most grateful. Please contact us at the same email address and we will follow up with you.

5 My team and I shall endeavour to make the distribution of masks as smooth and pleasant an experience for our residents as possible. I wish your family the best of health.

Yours sincerely,

A handwritten signature in blue ink that reads "Sim Ann". The signature is written in a cursive, flowing style.

Sim Ann (Ms)

Adviser to Bukit Timah Grassroots Organisations

Mask Collection – Collection Points and Operating Hours

Day & Date	Operating Hours	Collection Points
